Sun 26 Oct	8.4	12:15	16:15	Last Social Sail
Sat 15 Nov		10:30	12:30	Boat Park Work Party

Dates shown are when we plan to provide safety boat cover. Dates may vary according to weather and demand. Experienced sailors are also free to sail at other times at their own risk subject to weather. Where training or youth sessions are taking place safety boat cover will prioritise youth and trainees.

Tide heights are based on Barrow Tide Heights. A 9-metre tide equates to roughly 2.5 metres water in main channel and 1.5 metres elsewhere.

Craft Booking System: Members have access to a craft booking system, which shows tide times. Please add you name to the spreadsheet even you are using your own boat, so we know who is coming and have a record of who has gone out. Please also report any defects to club boats,

Killington Club Nights

Killington Club Nights on Thursday evenings from 5pm to 8pm run from 8th May to 11th September

Book via Eola [Killington Club Nights](#)

Youth Sailing Club

We are running a youth sailing club with sessions alternating between Arnside and Killington depending on the tides

Book via Eola [Arnside Youth Sailing Club](#) or [Killington Youth Sailing Club](#)
